

# NEW JAGUAR BOOK

*"I commend this book to anyone interested in the history of Jaguar. Especially significant is the remarkable unravelling of the design sequence of the Mark VII and its cousins the Mark V and XK120. It is the most important new international Jaguar saloon book for many years."*

World Jaguar authority **Paul Skilleter (UK)**

## *The Mark VII was the car that made Jaguar*

- The flagship Jaguars were the fastest and best handling of saloon cars.
- The Mark VII is now recognised as one of the significant automotive designs and one of the most influential Jaguar cars of the 20th Century.
- With accounts of rallying and racing successes, including an outright win of the Monte Carlo Rally.
- Includes technical detail and profile of the XK twin-cam six-cylinder engine designed for the Mark VII – one of the world's greatest engines.
- Has indepth design analysis of the Mark VII and Mark V/XK120 cars – with groundbreaking research, including that the Mark VII was a key influence on the XK120 design (and not the other way round!).
- Over 50 Mark VII-IX cars profiled.

### *About the Author Richard Waugh*

Well-known motoring and aviation author follows on from his very successful 2021 *Classic Jaguars in New Zealand* book. Richard has been assisted by many international Jaguar experts including Paul Skilleter, John Elmgreen, Terry McGrath and Grant McMillan. For the 75th anniversary of the launch of the Mark VII, Richard now turns his attention to one of the most important Jaguar designs of the 20th Century.
